AZNT Guadalupe Christmas 2023 Update

Christmas Update

While we might not have our space in the Mercado, activity continues with our community in Guadalupe.

After we did our Fall backpack event with our families, we continued to stay in touch, Through the generosity of many of our donors we supported a number of families with food during Thanksgiving. We continued our cycle of weekly prayer.

Finally, we are in the process of planning for our big Christmas event.

This Event will be held in the Mercado Tuesday Dec 19 4 - 8 pm. Miss Marina is putting this event on in partnership with a Guadalupe car club and the Maricopa County Sheriffs department. We will have food, fun and games for all our families and children. And of course - there will be lots of gifts.

We also are in conversations with other people in Guadalupe that have God and Community development on their hearts.

There is more conversation to be had, but we are encouraged with where God is leading us.

So thank you again for all your support.

Working Poor Tax Credit Donations

The end of the year is a great time to make donations to worthy causes. We would like you to prayerfully consider making AZNT / Guadalupe on of your worthy causes.

While we might not have a full time space in Guadalupe currently, we are still very busy working there. Much is happening and God is at work. We would love to have you walk with us and our friends there.

Arizona Neighborhood Transformation is a qualified non profit for the Arizona working Poor Tax Credit. That means if you pay Arizona State Income Tax, you can redirect - \$ for \$ - money you would normally pay to the state of Arizona and instead provide it as a donation to AZNT. You can give up to \$400 individually or \$800 jointly. Please consider taking advantage of this wonderful gift from the State of Arizona.
