

Ken & Julie Moser - January 2024 Prayer Letter

Serving Christ in the Netherlands | Tyndale Theological Seminary

HAPPY NEW YEAR!

Thank you for your support and prayers through 2023. We also pray for you! May the Lord's blessing be on you in this new year.

The steadfast love of the Lord never ceases; his mercies never come to an end; they are new every morning; great is your faithfulness. Lamentations 3:22-23

Pray for Tyndale

Pray for funding for Tyndale for 2024. Tyndale is at the lowest with funds in its history and so we are asking you to pray for a year of abundance!

churches and ministries. In November we went to a church in Fontainbleau, France and ran a youth group, a whole church breakfast talking about passing on the faith to the next generation and leading the morning church service. The church has been without a regular minister for 10 years and so were REALLY encouraged. The team is now regularly helping with a new English service in Hoofddorp (15mins away) leading the entire service. At the end of February we hope to take a mission team to Spain to do evangelism with muslims. Please pray for the students as they manage ministry alongside their academic demands and for God's blessing on the various opportunities that are opening up.

Update...

Gunnar travelled to the USA November/December to raise funds but the trip was largely unsuccessful. Pray for him as he feels the weight of the responsibility of meeting budget targets.

Please continue to pray for the health of Professor Adam Day. Every medical approach has been unsuccessful. He continues to serve faithfully at Tyndale as chaplain and NT professor despite continuous pain and low energy.

Roles of Dean of Men/Women continues to be a real source of joy.

Pray for...

Give thanks to two youth retreats that we held on Tyndale Campus (Arnhem youth group and Eindhoven youth group.) The speaker for the Arnhem retreat was a Tyndale student (Sander) who gave all the talks in Dutch!

Pray for ongoing relationships with these two churches. Through the fall we were regular leaders at Arnhem Junior youth group to help train up the two leaders. We have finished in that role but continue to stay in touch and help with planning the youth ministry. In March we will visit the Eindhoven church to run an all-day training for the youth leaders.

Pray for more opportunities like these.

Continue to pray for our language learning....

Julie began a new class every Thursday and continues to meet with her neighbour Ank and her friend Coos for coffee every week. In December the entire hour (both the

the 30mins in Dutch) was entirely about the Christian faith talking about what we believe and our personal experiences of church. Ken plans to do online training for the start of this semester. Every Friday morning he volunteers at a nursing home speaking Dutch. Pray for faith conversations especially with a woman named “Wil” and the staff.
